To whom it may concern

Letter of reference for Anette Jacobsson

Anette is seeking ICF certification as Associate Certified Coach.

In preparation for this I have heard and observed her coach on the above indicated date.

Anette is very present and structured to help her client. She is well skilled in all coach competencies. Anette creates a safe and creative space for her client and she is very skilled in creating awareness. In my opinion Anette coaches at the ACC level and I am pleased to recommend her for ICF certification.
